

Applying for Financial Aid

In general, United States citizens and permanent residents are eligible to receive federal financial assistance when pursuing post-secondary education. Students who expect to finance all or a portion of their education costs with U.S. federal financial assistance must complete the Free Application for Federal Student Aid (FAFSA) with Adler University's school code: **G20681**. The FAFSA is made available in October for the upcoming academic year.

Students will need to complete two aid applications to cover the entire academic program: the 2017-2018 FAFSA and 2018-2019 FAFSA when it is available.

The Office of Financial Aid sponsors free access to Scholly for Adler University applicants and students. Scholly is a private scholarship search tool that allows the user to quickly find, apply for, and track private scholarship applications from their smartphone or browser. The scholarship search uses a user-created profile to match the user to the scholarships that they might qualify for, making searching for private scholarships much quicker, efficient, and focused.

To get started using Scholly, go to <https://app.myscholly.com/adler> and create a profile.

Loans

Aid eligible students can borrow from two [loan programs](#): the Unsubsidized Stafford and the Graduate PLUS. Both loans accrue interest during deferment and grace periods, but repayment is not required while students are enrolled in a degree program on at least a half-time basis. Interest begins accumulating at the time of loan disbursement.

Federal loans have fixed interest rates for the life of the loan. Federal loans also include a small origination fee that is deducted before the loans are applied to a student's account. Actual interest rates and origination fees depend on the date that the loan is borrowed. Please see the tables below for current rates.

Interest Rates

Loans first disbursed between:	Unsubsidized Stafford	Graduate PLUS
7/1/16-6/30/17	5.31%	6.31%
7/1/17-6/30/18	6.00%	7.00%

Origination Fees

Loans first disbursed between:	Unsubsidized Stafford	Graduate PLUS
10/1/16-9/30/17	1.069%	4.276%
10/1/17-9/30/18	undetermined at this time	

Veterans and Military Education Benefits

Veterans and active-duty military may be eligible for education benefits through the U.S. Department of Veterans Affairs or through their military branch. Aid Package Expectations

Aid packages for Online Campus students initially include financial assistance amounts that will be calculated to cover the exact charges for the year **and** to provide a *small* refund in order to purchase books. Book refunds are calculated at \$125 per 3-credit course and \$42 per 1-credit course. Book refunds will be issued by the 7th day of each academic term and will include book funds for all course sessions in the term.

 Loans Money you have to pay back		\$19,730.00		
Award	Status	Total Awarded Amount	Term 1	Term 2
Unsubsidized Loans Accept or Decline	Pending	\$19,730.00	\$9,865.00	\$9,865.00

Students should compare their financial aid offer each term against expected charges for 2 course sessions when determining which funds to accept or decline.

If needed, students can request additional loans to help with living expenses through the “request a new loan” link on Financial Aid Self-Service. **All students are urged to borrow conscientiously. Coming up with a strict budget is the key to completing graduate school with as little debt as possible.** Students may request a *maximum* of \$1,950 per month for living expenses. A refund will be issued by the 14th day of each academic term in which accepted financial aid is over the amount of charges. This means that living expense refunds will be issued once every 4 months and students must budget accordingly.

Each year of borrowing increases debt and the expected monthly repayment. The Office of Financial Aid strongly encourages students to balance financial need and loan debt throughout the course of their study.
