

Outside Scholarships

Scholly

The Office of Financial Aid sponsors free access to Scholly for Adler University students, staff, and faculty. Scholly is a private scholarship search tool that allows you to quickly find, apply for, and track private scholarship applications from your smartphone or web browser. The scholarship search uses your user-created profile to match you to scholarships that you might qualify for, making the search for private scholarships much quicker, efficient, and focused on you. The Scholly database is managed by the app developers, meaning the listings are current and timely.

Get Started with Scholly

1. Adler University students, staff, and faculty can create a free account at this link:
<https://app.myscholly.com/adler>

Note: Scholly accounts normally cost \$2.99 to create. If you use this link, customized for Adler University, then you can create an account free of charge.

2. Create your profile.
3. After creating your account and profile, you can search for scholarships online at
<https://app.myscholly.com/login>.
4. You can also download the Scholly app (available on the Apple App Store and through Google Play) to access your account from your phone. Sign in to the app using the account you created in step 1.
5. Start applying for scholarships.

Tips for Applying for Outside Scholarships

- Many private scholarships have essays, and many of those essays want you to write about similar things. Write one essay that you can modify slightly for multiple scholarship applications.
- Most private scholarships go unused. Apply for anything that you qualify for, even if the company sponsoring it sounds silly or is unrelated to your academic program.
- Scholly has matched thousands of students to over \$50 million in scholarships so far. Finding scholarships is the hard part, and this app will streamline things considerably.

Other Outside Scholarships

From time to time, outside donors will contact our office directly regarding scholarship opportunities. The listing of scholarships below includes each scholarship we have been notified about recently. Some of these scholarships may also be listed in the Scholly app. Please contact the donor of each award directly, with questions. We add or remove scholarships from this list every few months.

DREAMer's Roadmap Mobile App

DREAMer's Roadmap is a free mobile app that helps undocumented students find scholarships to go to college. More information is available at <http://www.dreamersroadmap.com/>.
