

Transfer of Credit Policy Master Programs – Vancouver Campus

Please read the information below before submitting requests for transfer credit.

Students accepted for admission may be granted transfer credit for graduate level courses previously taken at another accredited institution. A maximum of twelve (12) credit hours may be transferred into a M.A. program.

Eligibility

Graduate courses from regionally accredited institutions that are equivalent to courses required in the students' degree program at Adler University and in which students have earned grades of "B" or better may be considered for transfer credit.

Electives and clinical or community service training credits are not eligible for transfer credit. Coursework taken more than five years prior to enrollment will not be accepted for transfer credit. Credit hours granted for transferred courses are based on credit hours granted for the equivalent course at Adler University. All requests for transfer credit must be completed by the end of a student's first term in their program.

Processing Fee & Processing Time

A Transfer Credit Processing Fee of \$150 is assessed for each course evaluated for transfer credit eligibility (whether approved or denied). The processing time for this request requires approximately 30 business days. If the Transfer Credit Request is approved, the Office of the Registrar will update the student's academic record within five business days of receipt from the Advisor or Program Director. The student copy of the approval or denial will be placed in the student's mailbox or mailed to the student's address on record.
