### Presentations

#### Invited--International

- Wang, C.-C.** (2012, December). *Future trend of rehabilitation counseling*. Presentation at the Vocational Evaluation Resource Center for individuals with Disabilities in Southern Taiwan.
- Wang, C.-C.** (2009, August). *The introduction and critical review of the U.S. state vocational rehabilitation services delivery system*. Presentation at the Graduate Institute of Rehabilitation Counseling, National Changhua Normal University, Taiwan.
- Wang, C.-C.** (2009, August). *The introduction and critical review of the U.S. state vocational rehabilitation services delivery system*. Presentation at the Vocational Evaluation Resource Center for individuals with Disabilities in Southern Taiwan and the Graduate Institute of Rehabilitation Counseling, National Kaohsiung Normal University, Taiwan.

#### Conference--International

Fujikawa, M., Lin, C.-P., **Wang, C.-C.**, & Chan, F. (2010, August). *Factorial validity of the abbreviated version of the revised Acceptance of Disability Scale*. Presentation at the conference of Japan Society of Vocational Rehabilitation, Kanagawa, Japan

#### Conference--National

- Wang, C.-C.**, & Chow, T.-Y. (2022, Oct). *Using social justice as the focus of an entry-level rehabilitation counseling education program*. Presented at the fall conference of the National Council on Rehabilitation Education, Washington D.C.
- Chang, Y., **Wang, C.-C.**, Austin, S. B., Kolden, G. G., & Greenfield, M. H. (2019, August). *Congruence/Genuineness: A meta-analysis*. Poster Presentation presented at the 2019 American Psychological Association Convention, Chicago, IL.
- Zhu, L., Wu, Y., Zhao, S., Yang, F., Shu, M., **Wang, C.-C.**, Liu, W., & Dalton, J. A. (2019, August). *Generation Y vs. Generation Z: Cohort differences in mental health among college freshmen in China*. Poster Presentation presented at the 2019 American Psychological Association Convention, Chicago, IL.
- Yang, F., Zhao, S., Lu, M., Chang, Y., Shu, M., Gao, X., & **Wang, C.-C.** (2019, April). *Who Are the Victims? Family and Sexual Education Predictors for Child Sexual Abuse and Harassment*. Paper session presented at the 2019 American Educational Research Association Annual Meeting, Toronto, ON, Canada.
- Nasir, A. Janikowski, T., **Wang, C.-C.** & Guyker, W. (2017, April). *Student Engagement in Online and On-Campus Courses*. Poster

- presented at the spring conference of the National Council on Rehabilitation Education, Anaheim, CA.
- Nasir, A. Janikowski, T., **Wang, C.-C.** & Guyker, W. (2016, April). *A factor analysis of the Student Course Engagement Questionnaire-Modified (SCEQ-M) for online and on-campus instruction*. Presented at the spring conference of the National Council on Rehabilitation Education, Newport Beach, CA.
- Wang, C.-C.** & Rosenthal, D. (2015, April). *A community participation model for adults with severe and persistent mental illness*. Presented at the spring conference of the National Council on Rehabilitation Education, Newport Beach, CA.
- Janikowski, T., **Wang, C.-C.** & Guyker, W. (2015, April). *A comparison of student performance, course evaluation/satisfaction and classroom engagement in online and on-campus courses*. Presented at the spring conference of the National Council on Rehabilitation Education, Newport Beach, CA.
- Wang, C.-C.** (2014, August). *Biopsychosocial model of improved chronic health for people age 50 or older with chronic conditions*. Presented at the conference of the American Psychological Association, Washington D.C.
- Wang, C.-C.** & Lee, G. (2014, March). *DVR services and employment among people with autism of different age groups*. Presented at the spring conference of the National Council on Rehabilitation Education, Los Angeles, CA.
- Wang, C.-C.** (2014, March). *Biopsychosocial model of improved chronic health for people age 50 or older with chronic conditions*. Presented at the spring conference of the National Council on Rehabilitation Education, Los Angeles, CA.
- Wang, C.-C.** (2013, November). *Biopsychosocial model of improved chronic health for people age 50 or older with chronic conditions*. Presented at the Symposium & Pilot Project Presentations of the Center for Rehabilitation Research using Large Datasets, Galveston, TX.
- Wang, C.-C.** (2013, November). *Biopsychosocial model of improved chronic health for people age 50 or older with chronic conditions*. Presented at the conference of the American Congress of Rehabilitation Medicine, Orlando, FL.
- Sung, Y.-Y. C., Sánchez, J. & **Wang, C.-C.** (2013, August). *Gender difference in vocational rehabilitation service predictors of employment outcomes for young adults with autism*. Poster presented at the 2013 Convention of the American Psychological Association, Honolulu, HI.
- Wang, C.-C.** (2013, June). *Biopsychosocial model of improved chronic health for people age 50 or older with chronic conditions*. Poster presented at the 2013 Research Meeting of the AcademyHealth, Baltimore, MD.
- Wang, C.-C.**, Drout, M., & Pfaller, J. (2013, April). *Examining vocational rehabilitation services and outcomes for elderly consumers: A career development perspective*. Presented at the spring conference of the National Council on Rehabilitation Education, San Francisco, CA.

- Wang, C.-C.**, Sung, Y.-Y. C., Yaeda, J., Millington, M., Wang, M.-H., Lee, E.-J., & Chan, F. (2013, April). *Vocational rehabilitation profession, education, and practices in Asia and Australia: International communication*. Presented at the spring conference of the National Council on Rehabilitation Education, San Francisco, CA.
- Wang, C.-C.**, & Drout, M. (2012, October). *Demographics, service reception, and outcomes of elder Americans receiving public vocational rehabilitation*. Poster presented at the John & Gwen Smart Symposium of the Buehler Center on Aging, Health and Society, Northwestern University, Chicago, IL.
- Wang, C.-C.**, Pfaller, J., & Sung, Y.-Y. C. (2012, April). *How to use RSA-911 dataset to conduct empirical studies: Know-how and issues*. Presented at the spring conference of the National Council on Rehabilitation Education, San Francisco, CA.
- Chan, F., **Wang, C.-C.**, Muller, V., & Fitzgerald, S. (2012, April). *An integrative person-environment interaction model for predicting employment outcomes*. Presented at the spring conference of the National Council on Rehabilitation Education, San Francisco, CA.
- Wang, C.-C.**, Rosenthal, D., Pfaller, J., & Leczycki, A. (2012, April). *Validation of Community Participation Scale (CPS) in people with severe mental illness*. Poster presented at the spring conference of the National Council on Rehabilitation Education, San Francisco, CA.
- Wang, C.-C.**, Gervery, R., & Drout, M. (2011, April). *Comparing the validity and reliability of five job readiness measures for people in supported employment programs*. Presented at the spring conference of the National Council on Rehabilitation Education, Manhattan Beach, CA.
- Rosenthal, D., Hiatt, E., Anderson, C., Sung, Y.-Y. C., Beck, M., **Wang, C.-C.**, & Fujikawa, M. (2011, April). *Facilitators and barriers to integrated employment: A focus group analysis*. Presented at the spring conference of the National Council on Rehabilitation Education, Manhattan Beach, CA.
- Wang, C.-C.**, Sung, Y.-Y. C., Hiatt, E., Fujikawa, M., Anderson, C., & Rosenthal, D. (2011, April). *Effectiveness of supported employment on competitive employment outcomes: A meta-analysis*. Poster presented at the spring conference of the National Council on Rehabilitation Education, Manhattan Beach, CA.
- Gervery, R., **Wang, C.-C.**, Hunter, C., & Maxwell, K. (2011, April). *Is job readiness a predictor or a mediator of participation in job activities for people with severe and persistent mental illness?* Poster presented at the rehabilitation and transition conference of the Wisconsin Rehabilitation Association, Elkhart Lake, WI.
- Wang, C.-C.**, Austin, S., Kolden, G., & Klein, M. (2011, February). *Meta-analysis results of therapist's congruence/genuineness in treatment outcomes: Implications for rehabilitation psychology practice, education and research*. Poster presented at the

- conference of the American Psychological Association--Division 22, Jacksonville, FL.
- Sung, C., **Wang, C.-C.**, & Chan, F., (2010, April). *Association between coping strategy and pain perception: A meta-analysis*. Presentation at the spring conference of the National Council on Rehabilitation Education, Manhattan Beach, CA.
- Wang, C.-C.**, Drout, M., & Chan, F., (2010, April). *Demographics and service patterns in self-employment outcomes: A data-mining study*. Poster presented at the spring conference of the National Council on Rehabilitation Education, Manhattan Beach, CA.
- Catalano, D., Sung, C., Fujikawa, M., Muller, V., Pete, J., & **Wang, C.-C.** (2010, April). *A confirmatory factor analysis of the Brief COPE in a sample of Canadians with spinal cord injury*. Poster presented at the spring conference of the National Council on Rehabilitation Education, Manhattan Beach, CA.
- Chan, J. Y.-C., **Wang, C.-C.**, Kim, J. H., Dries, B., & Chan, F. (2009, February). *Effect of unemployment rates on rehabilitation outcomes: A multi-level analysis*. Poster presented at the spring conference of the National Council on Rehabilitation Education, San Antonio, TX.
- Gervery, R., Drout, M., & **Wang, C.-C.** (2009, February). *Use of debate in a foundation of rehabilitation class to enhance critical thinking skills*. Presentation at the spring conference of the National Council on Rehabilitation Education, San Antonio, TX.
- Gervery, R., **Wang, C.-C.**, & Drout, M. (2009, February). *Technologically enhanced strategies for collaborative learning in the classroom*. Presentation at the spring conference of the National Council on Rehabilitation Education, San Antonio, TX.
