VOLUNTEER EXPERIENCE**ELEV8/Southwest Organizing Project** Chicago, IL

2014

Elev8 / SWOP (Southwest Organizing Project) is a community school initiative that works in conjunction with Marquette School of Excellence Elementary. Elev8 at Marquette helps generate the development of students and families through parent engagement, community engagement, and advocacy. I worked with the site director on planning activities to help support youth participating in after school programs. Our focus was on students with difficulty in academics, attendance and behavioral issues. The goal was to provide the help they need so they can succeed in school, by working with the youth and parents so they may continue to participate after school programs.

YOUTH OUTLOOK Naperville, IL

2012–2013

Supervised group meetings with attendance ranging anywhere from 5-40 youth, ages 13 to 20 years old. Discussed topics relevant to the LGBTQ community, as well as any difficulties youth my experience in relation to sexual and gender orientation. Performed intake interviews with new youth to the group. This included screening for suicidal ideation, drug history and sexual activity.
