

Student Name: _____

Student ID: _____

The following list of courses is the required sequence for the Master of Arts in Counseling: Art Therapy program in which you should take your courses for degree completion. This sequence ensures students take all prerequisite courses when they are needed, and that the Adler University is able to plan course offerings each term. Students should be aware that deviating from this sequence will make it difficult to get into courses in future terms.

Courses - Minimum grade of "B" required
