### Program Disclosures

As articulated in Standard I.B.2 programs may have “admission and employment policies that directly relate to affiliation or Purpose” that may be faith-based or secular in nature. However, such policies and practices must be disclosed to the public. Therefore, programs are asked to respond to the following question.

Does the program or institution require students, trainees, and/or staff (faculty) to comply with specific policies or practices related to the institution’s affiliation or purpose? Such policies or practices may include, but are not limited to, admissions, hiring, retention policies and/or requirements for completion that express mission and values.   X   No
