

Training for Academic Advisor for active-duty military students.

Key Training Focus Areas

- **Military Culture & Terminology:** Understanding the structure of the armed forces, acronyms, and the transition experience.
- **Benefits Navigation:** Detailed knowledge of Tuition Assistance (TA), and VA Vocational Rehabilitation.
- **Proactive Advising:** Implementing structured check-ins for students facing potential deployments, training, or relocations.
- **Academic Advocacy:** Assisting students with credit for military training and navigating institutional policies.
- **Disability Services:** Assist military students with steps to take for disability services.
